

DOGITER

The opportunity.
Litepaper

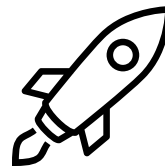

Dogiter \$Dogiter | ERC-20

Dogiter is a community-driven Gaming and NFT DeFi Protocol powering Play-to-Earn and Metaverse ecosystems.

Dogiter plans to develop its own ecosystem, including a token swap.

"Dogiter is a planet orbiting within the Dogliese 581 system. It is the second planet discovered in the system and the third in order from the star."

Where is our journey going?

The roadmap will be divided into smaller phases. These are processed step by step every quarter.

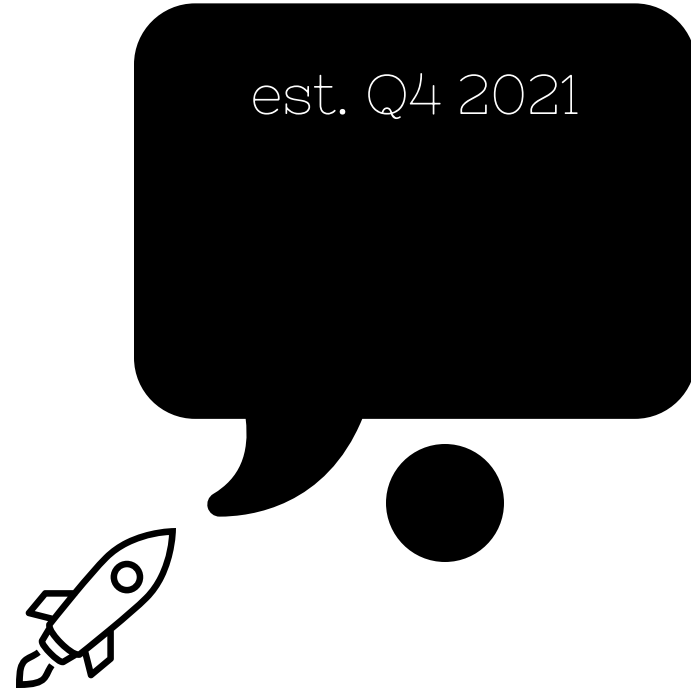

"Dogiter is the discovery of the century. Rich in raw materials, this planet offers excellent opportunities for us crypto adventurers. "

Part 1 - Setting up the Rocket

- Reach the Skies* - Intergalactic Rocketgame! Play to earn
- DogiterStake, DogiterBridge, DogiterSwap
- More parts to be announced.

"Simple as it get, play our 2D Game and earn in game coins which will be added to your \$DOGITER Balance instantly! This is most efficient way to earn money in Crypto while making fun. Enjoy!"

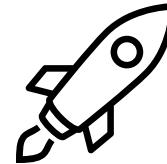

Part 2 - In space

- Dogiter NFTs - Extraterrestrial*
- DogiterChart, DogiterRugBuster
- More parts to be announced.

"During the journey, the DOGITER space team will encounter unknown new species. These are inspected by the team and their appearance is saved as an NFT. It will be published early next year. "

est. Q1 2022

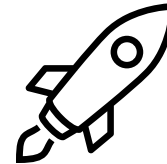

Part 3 - Main Control

- DogiterDEX*
- CEX Listing
- More parts to be announced.

"A DogiterDEX will be built for our Token and any other smaller Dogiter themed tokens that are whitelisted by community partners. This will allow our community members and external users can rely on a strong infrastructure to buy, sell, swap and pool tokens"

est. Q2 2022

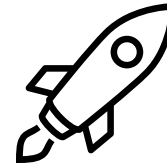

Reward System

The team keeps giving gifts to the most loyal investors after milestones. None of this would be possible without you!

- P2E Web App Game Preview released at 750k MC
- Extending lock to 1 year at 1M MCAP
- NFT Drop for the top 25 wallets at 5M MCAP. (Dogiter NFTs Extraterrestrial)
- Buyback protocol at each milestone

"Dogiter is the discovery of the century. Rich in raw materials, this planet offers excellent opportunities for us crypto adventurers"

One Team!
One Community!

Tokenomics

- 3% Habitability & Earnings - DOGITER is likely to be inside the habitable zone. Harvesting raw materials give every investor 3% lifetime earnings
- 5% Marketingfee - 5% of each and every transaction goes to further market the project
- 5% Liquidityfee

"This is the unique opportunity to invest in the planet and sustainably mine its raw materials"
